Dear Mr. Pesquera:

Your contributions to the successful prosecution of Carlos Rodriguez-Rodriguez and Isabel Panos Agullo were many and I wanted you to know how much my colleagues in San Juan and I appreciate your aggressiveness and attention to detail.

The extreme perseverance you demonstrated in court, simplifying the facts for the benefit of the jurors, and your continual communication with key witnesses to ensure their accuracy in testifying at trial were remarkable. You are indeed a credit to your profession and my associates look forward to working with you again.

Sincerely yours,

William H. Webster
