Dear Mr. Montilla:

I wish to recommend to you Mr. Ricardo R. Pesquera, Assistant United States Attorney. I have known Mr. Pesquera for about seven years, as law clerk and prosecutor. He has been consistently well-prepared, unflagging, courteous in court, and thorough and comprehensive in his legal writing. In short, he is the prosecutor par excellence. I consider him one of the three best Assistant United States Attorneys in that office. I recommend him without reservation.

Sincerely,

JUSTO ARENAS
